New Format for Church Emails

We've been working to solve the ongoing email delivery issues some of you have experienced. As you may have noticed, we've switched to a new mass email provider this week to help ensure our communications reach everyone.

On Tuesday, we sent a test email titled "Note from Pastor Darrin" using this new system. If you didn't receive this email, please let Pastor Darrin know directly so we can troubleshoot the issue. Our goal is to make sure everyone stays connected to our church family communications. We appreciate your patience as we work through these technical challenges.
