CONSISTORY NOTES

- Financials were discussed for the month. Many expenditures for the remodel have gone out with a few more to come. We currently have expenditures coming out of the general fund, and hope in the next month the general fund balance will start to rebound.
- Discussion on the sale of the property was held. There has not been a lot of interest, but there is some. We chose to stay the course for the time being and will revisit next month.
- **July 4th** planning was discussed, and in late May/early June, we will put out a work schedule for the congregation to sign up. All other planning is ongoing.
- We discussed summer Sunday times. After a lot of discussion, and also feedback from some in the congregation, we chose to keep the service time in the summer at **10:00 A.M.** for this year. There will be no change in service times.
- During the discussion on the new parsonage, we talked about internet for the buildings. Wally Wiersma was tasked with finding out how much it will cost to have only one line at the church, and set up a system much like some businesses to have wireless to the two parsonages. We believe the cost savings will be significant after a while if we go this route. Currently we would have three separate lines and pay a significant amount each month for internet services to all the buildings.
- Hope Cupery gave a report on the youth group and how the rest of the year has gone, along with plans for the summer. The Consistory was pleased with the report.
- Pastor Darrin gave an update on the mission trip fundraising and also projects that will be done. Fundraising is almost complete.
